

## Kickstart Soccer Soccer Programs for Kids

Soccer Programs for Kids

Ages 6-8 years old

Our programs are for boys and girls with and without experience playing soccer. We split ages into groups: after-School Programs on Tuesdays for 4-5 years and Fridays for 6-8 years, focusing on basic ball skills, building kids connection to the ball and above all, develop confidence whilst having fun. These groups will have a gentle introduction to enjoying game time. Sessions run for 45mins.
